

JAMAICA RUM

VALE ROYAL WEDDERBURN

PALE GOLDEN COLOUR
PRODUCED AT LONG POND DISTILLERY
CLASSIC VALE ROYAL WEDDERBURN STYLE
HIGH ESTER STYLE

MOLASSES BASED, WITH THE AID OF "DUNDER" AND A LONG FERMENTATION, THIS POT STILL RUM IS AN EXAMPLE OF THE CLASSIC "VALE ROYAL" STYLE. FIRST PRODUCED IN THE EARLY 20TH CENTURY TO SUPPLY "RUM CONCENTRATE" FOR BLENDING WITH LOCAL NEUTRAL SPIRITS IT IS OF THE WEDDERBURN TYPE WITH AN ESTER LEVEL OF BETWEEN 300/500 PPM.

PALE IN COLOUR HAVING BEEN MATURED IN WELL USED OAK COGNAC CASKS IT HAS A HIGH TONED NOSE, LEADING TO A CONCENTRATED AND MOUTH FILLING PALLET. FRUIT WITH ONLY SLIGHT WOOD LEADS TO A SHORT BUT HIGH POWERED FINISH. A REALLY INTERESTING EXAMPLE OF THIS TYPE OF RUM.

MIX LONG OR IN SPECIAL COCKTAILS.
